

Celebrating the Success of Our Employees

PDI is proud to announce that

YungWei Tang, P.E.

is now a Registered Fire Protection Engineer

YungWei Tang, P.E. has been with PDI since 2010 and has proven to be a valuable asset and a dedicated employee. A graduate of Worcester Polytechnic Institute, he earned both a Bachelor of Science in Mechanical Engineering and a Master of Science in Fire Protection Engineering. He has significant project experience in fire protection systems design, life safety reviews, and smoke/ fire modeling. Mr. Tang is a talented engineer and he takes pride in using his skills to help a project reach successful completion.

YungWei Tang, P.E.

Fire Protection Engineer

We are delighted to celebrate the personal and professional accomplishments of our employees. The determination and dedication of the professionals at PDI enable us to serve our clients, maintain high ethical standards, and contribute to the communities in which we live and work. At PDI, we value our employees and continually invest in each person to encourage professional growth and promote work/life balance. We have worked hard to create a work environment in which employees are engaged, motivated, and thoroughly enjoy their contribution to our firm's success.
